

PENTLAND PRIMARY

BOOK DAY

To help celebrate **book week 2018**, students in grade Foundation to Grade 6 will be participating in a variety of activities to help celebrate their love for books.

Students are invited to dress up as their favourite book character on **Wednesday the 22nd of August**. Students will need to bring along the book from which their character is from.

Students will all be participating in a whole school parade at the beginning of the day, which parents are more than welcome to stay for and then join us on the morning walk (weather permitting).

On this, day students will also be participating in a **rotation of activities** all of which will be based around popular children's books and some of the teacher's favourite books to read.

We will also be holding a Book of the Year Competition, where students are invited to make and write a book. The book can be about anything they like **BE CREATIVE!** Students must **individually** enter a book. All entries are due by **FRIDAY 31ST OF AUGUST** to your child/rens classroom teacher.

We look forward to seeing all your wonderful costumes and remember they do not need to be expensive they can be made using clothes you already have at home!

If you have any concerns or question please go and see your child's classroom teacher.

Thanks

Pentland Primary Teaching Staff
