Dear Parents/Guardians

We wish to advise that on Department advice we have unfortunately had no option but to cancel all camps planned for Term 4.

We are currently discussing a number of options that would allow us to provide a fun activity for our whole school. We will keep you informed as to what this may look like, once we receive some clarity from the Department of Education regarding what activities are allowed to take place.

Any monies paid and allocated towards this camp will be reversed and placed back as a credit on your families school account. This can be used towards any future expenses. If you would prefer to have the money refunded, please email the school at pentland.ps@education.vic.gov.au with your preferred bank account details for us to process. All refunds will be processed by 23 October 2020. For applicable families, all CSEF money will remain in the children's account for future activities.

Thank you for your continued support of our school in these challenging times.

Stay safe and well.

Kind Regards
