Principal : Mr Andrew Harrison

Dear Parents and Carers,

As per the Government announcement today of an extension to the current lockdown (until Tuesday 27/7 11.59pm), please be advised that our students will be continuing their remote learning journey until such time we can resume onsite.

If your child needs to be supervised onsite and falls into the appropriate categories (essential workers, vulnerable families and students with a disability, etc.), please contact us via phone or email [pentland.ps@education.vic.gov.au](mailto:pentland.ps@education.vic.gov.au) to advise what days your child will be attending.

Your child's work pack has enough activities for them to complete this Thursday and Friday. Wednesday (tomorrow) will be set aside for Wellbeing Wednesday with optional activities on Seesaw if your child wishes to participate. As per the last lockdown, we encourage families to use this day as a time to recharge and relax, spending time together as a family, doing activities such as cooking, playing games, doing puzzles and generally taking time to look after yourselves. Please do not allow your children to do any of the work pack on these days.

We still have a number of work packs uncollected. These are available for collection from the front office between 8.15am – 4pm.

Camp Australia are still running their before and after school care program on site if families require this service.

More communication will be sent to families before the end of the week as we navigate what the remote learning model may look like moving forward.

Kind regards,

Andrew Harrison

Principal
