Principal : Mr Andrew Harrison

Dear Parents/Carers,

We are pleased to be able to welcome back all staff and students on site, commencing from Wednesday 28/7/21. We will be reverting back to our regular timetable, including all advanced learning groups, intervention programs and specialist subjects.

In accordance with guidelines given to us by the Department of Education, we unfortunately have to restrict the on-site presence of non-essential visitors.

- At this point in time, there will be no parents allowed onsite. We ask that you arrange to drop off and meet your child/children at a particular gate. The house colour system will not be in place so feel free to choose any gate that is convenient. Bus travellers will continue to meet at the same gate.
- Parents will be allowed onsite to drop off and collect their children from before and after school care.
- Just a reminder that all adults **MUST** wear a mask as per government guidelines, including outdoors, when dropping off and picking up your children.
- If you need to come on to the school grounds during the day for any reason, please just call the office to organise a time. You will need to sign in at the office with the QR code provided.
- Due to the lockdown, our community has missed out on several events, including 100 Days of School celebration, Parent Helper induction session and the Zone Hockey excursion. We are hopeful these can be rescheduled in the near future.
- At this stage, we are still unable to hold School Tours.
- We are still waiting for confirmation from the Department in regards to our school camps program, but are hopeful that these will go ahead as planned.

We look forward to seeing everyone back in the classroom and congratulate all our families on another great effort during this period of remote learning.

Kind regards,

Andrew Harrison
Principal
