

Welcome to Cafe Pentland by Six Seeds.

This year we, Six Seeds School canteens will be providing a canteen service to the school community at Pentland Primary School. You can also find us at Bacchus Marsh Primary School as well as Darley Primary School.

Ben and Janelle Keim, the founders of Six Seeds took over the canteen at BMPS in 2019, where their children attend. Their mission is to create healthy, delicious meals for students which also leaves parents with peace of mind that their children can access these options, taking the lunch box pressure off parents.

We will be open from Tuesday 8th February.

Tuesdays, Wednesdays and Thursdays will see the canteen open for lunch orders and over the counter sales at recess and lunchtime.

Qkr! by MasterCard is the ordering app we have in place. Please see instructions on how to install and use this below. If you have any issues with this, please contact us via messenger for assistance - see our Cafe Pentland by Six Seeds Facebook page.

We have 2 new staff members who will be facilitating the canteen each week. One whom is a parent at Pentland, Rebecca and the other is Jenny who has years of experience preparing food for others. Ben and Janelle will also be on site from time to time and we welcome you to come and say hi when you're on site.

Online orders will be open until 9am each day (you can order up to 2 weeks in advance) with manual brown bags also an option to be placed in your classroom lunch tub and delivered to the canteen by 9.30am each day.

When students receive their orders in the tubs at lunchtime, some may have a collect stamp on their bag. This indicates there is an item to be collected from the canteen as it does not travel well in the tubs - perhaps a frozen item or smoothie.

We do offer gluten free options as well as dairy free and vegetarian options. Please ensure you select the dietary component to ensure safe food handling practices occur.

If you are concerned about your child's allergies or dietary restrictions, please contact us. We will endeavour to have options for your child to order.

Each Wednesday we will be offering Sushi which is supplied by FoodWorks.

Thursdays we will be offering hot dogs.

These items will only be available on those days.

We welcome respectful feedback at all times. We are always looking for ways to improve our services and encourage ideas and feedback for this to occur.

The first few weeks of term will find us getting to know your children and finding the best practices to suit the canteen space at Pentland.

Most importantly, we are so excited to meet your children and get to know them.

Some of the best moments from our other sites is building relationships with the students and keeping up to date with how many wobbly teeth they have, or what they got up to on their weekend, or even learning about their favourite topic. We have learnt so much from the students we have served in the past and we can't wait to see what we learn from the students at PPS.

See you all next week!

Janelle, Ben and our Six Seeds team.
