<p><b>School values</b></p>	<p>At Pentland Primary School, a set of values are at the heart of what we think, feel and do as a school. They determine what we are, how we act and what we stand for. The core Pentland Primary School values are:</p> <ul style="list-style-type: none"> <li>• Respect</li> <li>• Pride</li> <li>• Endeavour</li> <li>• Creativity</li> <li>• Empathy</li> <li>• Honesty</li> <li>• Trust</li> <li>• Communication</li> <li>• Teamwork.</li> </ul>
<p><b>Context challenges</b></p>	<p>Pentland Primary School opened in 1993. We are a growing school with a current enrolment of 501 students. Pentland is situated on the northern edge of Bacchus Marsh and lies at the base of the Pentland Hills. We are on approximately 10 acres of land, comprising of a mod grass oval/running track, undercover basketball/netball court, playgrounds, landscaped garden areas and an orchard which we are continually improving and developing.</p> <p>At present our school consists of 24 classrooms as well as art, library, and music rooms. We have a food technology room, gymnasium and canteen. All classrooms and specialist areas are heated and air-conditioned.</p> <p>The Bacchus Marsh Township has experienced significant growth during the past 5 years. New housing developments and steady construction have resulted in increased enrolments for our school. The age and profile of the staff have been significantly influenced. Pentland Primary School is led by our Principal and 3 Assistant Principals and employs approximately 50 staff. We have a combination of recently graduated and experienced staff who are friendly, approachable, diverse and committed to achieving the best outcomes for all our students.</p> <p>Pentland Primary School is very inclusive, our school community embraces all students and families. Diversity exists in the parent occupation and skills of our community. We currently have a Student Family Occupation index rating of 0.423. School Council and the school leadership team have worked strategically to support families through targeted use of our equity funding. We operate a breakfast club 5 days per week. The welfare of the school community is an important value, in addition to an emphasis on ensuring all students feel safe and happy at school. This will continue to be a pivotal focus for us moving forward.</p> <p>Pentland provides education programs that are relevant and of high quality with an emphasis on the use of technology across the curriculum. The school has adopted an integrated approach to planning and delivery of the curriculum. The school provides comprehensive programs across the Victorian Curriculum. Specialist classes include, Visual Arts, Music, Physical Education, ICT, STEAM and Respectful Relationships. Student intervention, support and extension programs are areas we also focus on, implementing Getting Ready In Numeracy, STAP, Reading Tutoring and Advanced Maths programs into our school with great</p>

	<p>success. The Early Years and Information Technology programs will continue to be pivotal to our schools curriculum delivery.</p> <p>The implementation of the Victorian Curriculum will remain a priority in building the capacity of our professional learning team overarched by FISO 2.0. The E5 teaching and workshop models has remained a priority and a focus for the continual improvement of teaching and program delivery. Staff are supported by literacy, numeracy and inclusion coaching.</p> <p>Pentland Primary school offers a wide range of opportunities for its students including a comprehensive camping and excursion program, swimming program, choir, involvement in sporting teams and local competition. We also have a Junior School Council, encouraging student voice. Pentland also offer a psychologist two days a week through Matt Davis and Alice Hopechild. We also have Sharon Cartledge as our Inclusion Outreach Coach who is based at our school a time fraction of 0.2.</p> <p>A close partnership exists between the Bacchus Marsh College and Pentland Primary School. We are actively involved in a Community of Practice based around inclusion. We are also the partnering school for the Darley Early Years Hub located next door.</p>
<p><b>Intent, rationale and focus</b></p>	<p>Intent:</p> <ul style="list-style-type: none"> <li>* Maximise student learning growth in literacy, numeracy and integrated studies</li> <li>* Strengthen engagement and wellbeing of students</li> </ul> <p>Rationale:</p> <p>As the school has continued to experience strong enrolment growth we have had students not ready for school or significantly behind where they should be. We are noticing a trend that more students are experiencing mental health issues and difficulty focussing on learning tasks for a prolonged amount of time. We are looking to change some of our processes and strategies to improve in these areas.</p> <p>Focus:</p> <ul style="list-style-type: none"> <li>* Build the capacity of staff through our mentoring and coaching programs</li> <li>* Committed to reducing costs of education for our community</li> <li>* Focus on staff and student welfare</li> <li>* Consistency within each classroom and within each PLC</li> <li>* A larger focus on STEAM and Science within the Integrated Studies area (tracked through Science PAT)</li> <li>* Ensure that Respectful Relationships remains a priority within the school so that students have the resources and strategies to work through personal and relationship issues.</li> <li>* Implementation of PAT Wellbeing survey to assist in tracking student data through all grades of the school not just Grades 4,5 and 6</li> <li>* Reconstruction of curriculum documents and when each curriculum area will be taught within the two year cycle to have it streamlined across grade levels</li> <li>* Creation of consistent documentation for 'Numeracy at Pentland' and 'Literacy at Pentland' to support new staff members with</li> </ul>

inducting them at Pentland PS.
