Monday 8th June, 2026

From the Principal's Desk

Dear Parents and Carers,

We are rapidly approaching the end of term 2. This term has been busy, exciting and purposeful. It has been great to witness the continued growth of our students. The last day of term 2 is Friday 26th of June. Students will be dismissed at 2.30pm on Friday 26th of June.

This Friday our senior students are involved in Winter Sports. We wish staff and students involved all the very best of luck.

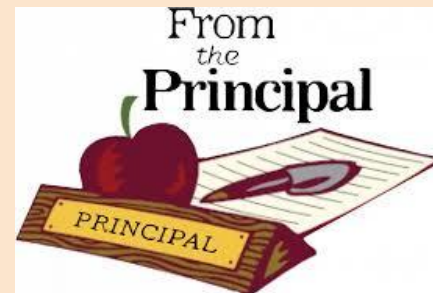

Our Foundation Reception program continues to gain momentum. If you have enrolled a child in Foundation for the 2027 school year they are most welcome to participate in our Foundation Reception program. Please contact Shannon in our main office for further details.

Our teachers are currently preparing Semester 1 student reports. Students reports will be available to families in the last week of term 2.

During our student free day we have a team onsite topping up the mulch underneath the playgrounds and in a variety of other areas in the school.

Our whole school assemblies will remain of a Friday commencing at 2.40pm on the basketball court. Parents and Carers are welcome to come along and watch the assembly.

From the Principal's Desk

We are accepting Foundation student enrolments for 2027 now. Please contact Shannon in our office regarding the enrolment process. We have experienced much interest already.

I would like to remind families that the procedures remain in place in relation to late arrival to school, early dismissal of students. The Compass Kiosk is located in the office. All visitors must sign in at the office via the Compass Kiosk. Students arriving late must sign in at the office and collect a late pass. Parents collecting their children early must sign their children out via the Compass Kiosk in the office.

Please find a moment to check the list of important dates for 2026. We have a wide range of events planned already for the year.

Thanks for your continued support.

Andrew, Brianna, Daniel & Lyndon and the Team @ Pentland.

Wearing our Uniform with Pride at Pentland Primary School

Recently our Uniform Policy has been updated and overhauled as part of our regular Policy review. This has become more of a need lately due to the increasing number of students not adhering to the uniform policy and wearing items not permitted a APPROVED UNIFORM. Some of these include street hoodies, jeans, bike shorts and leggings.

Pentland PS acknowledges that some of the changes will require families to purchase items such as black shoes and school log'd items. We have given our PPS families a change over period of up until the commencement of Term 3 to implement these items into the daily dress routines for students. After this date, being the 13th of July, students found not adhering to the expected uniform standards of Pentland PS will receive an "Out of Uniform" chronicle notification that will be sent to parents alerting of the uniform item not permitted at school.

If a student receives more than 3, "Out of Uniform" chronicles, a member of the Pentland Primary School staff will make contact with the family to discuss the ongoing uniform concern.

Families experiencing financial hardship are encouraged to contact the school office to discuss support that we may be able to provide.

On this page also is a list of our Uniform available for purchase from The Uniform Store that is located at 146-148 Main St, Bacchus Marsh (next to the Commonwealth Bank)

A Printable list is available from our office foyer

- Black wide brimmed hat with school logo purchased from the Uniform Store.
- Runners.

Wearing our Uniform with Pride at Pentland Primary School

We anticipate that some families may experience finding black lace-up or velcro shoes/runners hard to find. We have done some detective work and below are just a few of the options available to families that are easily accessible.

Provide feedback at anytime on our school policies - available on our school website

At **Pentland Primary School**, we are committed to providing an environment where all students are safe, supported, and feel safe. Our **Child Safety and Wellbeing Framework** outlines how we maintain the safety and wellbeing of every student and protect them from harm. This framework includes our:

Child Safety and Wellbeing Policy, Child Safety Reporting and Responding Obligations Procedures, Child Safety Code of Conduct, which outlines expected behaviours for all staff and volunteers

You can view these documents on our school website: [Our School | Pentland Primary School | Darley](#) shortly

We are also committed to **continuous improvement**. Our child safety policies and practices are regularly reviewed to ensure they remain current, effective, and aligned with best practice.

Your Feedback Matters

Students and families are important partners in maintaining a child-safe environment. We welcome your feedback and ideas on how we can continue to strengthen our approach to child safety and wellbeing.

If you have any **concerns, suggestions, or comments**, please contact: **Andrew Harrison, Principal** on 5367 6080 or pentland.ps@education.vic.gov.au
All child safety concerns or complaints are taken seriously. For further information about how we manage complaints, please refer to our **Complaints Policy**, available on our website [Our School | Pentland Primary School | Darley](#)

Regular reminders such as this help keep our community informed about: Our commitment to child safety, and How to provide feedback or raise concerns.

Together, we can ensure Pentland Primary School continues to be a safe, caring, and inclusive environment for every child.

2027 Foundation Enrolments

Statewide timeline for Foundation (Prep) enrolments.

Steps to enroll your child in Foundation (Prep) for the 2027 school year

To start primary school in 2026, your child will need to **turn 5 years old by 30 April 2027**. Schooling is compulsory for children who have turned 6 years old. If your child is starting Foundation (Prep) in 2027, you will be able to apply to enrol your child in a Victorian government primary school from the start of Term 2, 2026 (Monday 20th of April 2026).

What you need to do:

1. Use [Find my School](#) to locate your designated neighbourhood school (referred to as your local school) and other nearby government schools.
2. Contact a government primary school to book a school tour or to learn more about the school and the enrolment application process.
3. Download the Foundation (Prep) Enrolment Information Pack for Parents and Carers (released in Week 1, Term 2). This pack includes the application form.
4. The school may also provide you with a copy of the application form to complete or advise if they are using online enrolment.
5. Submit your enrolment application to the school by Friday 31 July 2026.
6. You will be notified of the outcome of your application between Monday 3 August and Friday 14 August 2026. The letter from the school will include the next steps. If you receive an enrolment offer, you should respond to the offer by Friday 28 August 2026.

Enrolment applications submitted after 31 July 2026 will be processed by the school as they are received.

Your child has a right to enrol at their local school. Your child's local school is determined by their permanent residential address. The [Enrolling in school](#) page can help you to confirm your child's address for enrolment.

If you are applying to a school that is not your child's local school, you should read about [school zones](#) and how they work. You should also read about how applications are prioritised using the Department of Education's Placement Policy found on the [Enrolling in school](#) page.

Camps, Sports, Excursion Fund (CSEF) \$\$\$

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child

The annual CSEF amount per student is: **\$400 from January 1st 2026** for primary school students

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the link below.

[Camps, Sports and Excursions Fund application form \(DOCX, 74KB\)](#)

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments**; your child has started or changed schools this year.
- **changed family circumstances**; such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Applications should be lodged as soon as possible, with schools accepting them until the end of term 2.

Classroom News

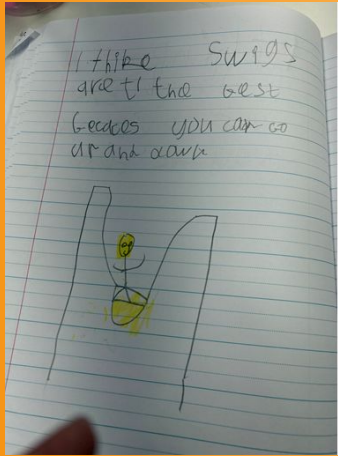

Here you can get an insight into some of the exciting things happening within our school.

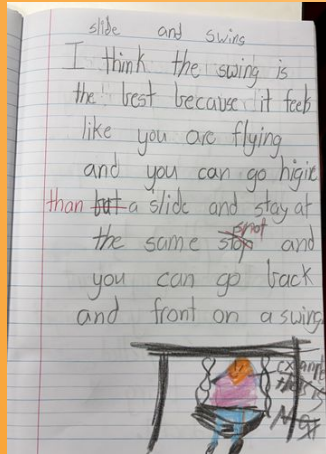

Grade 1

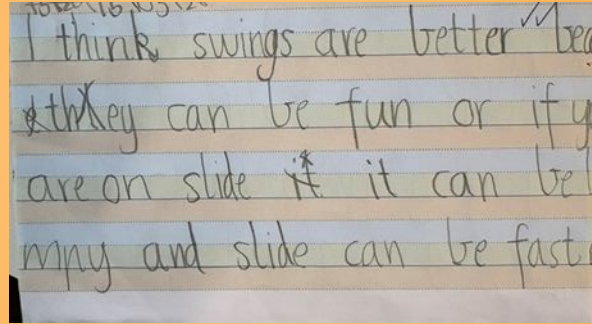

Throughout the term, grade one has been working on opinion writing. We have learnt that an opinion is something that we think or feel. Over the term we have explored numerous topics in which students had to choose an opinion and give a reason to support their opinions. Some of the key terms we have learnt is 'I think' (which is what states our opinion) and 'because' (explaining our reason). The students have shown great improvement over the term and the grade one team is super proud of what they have accomplished.

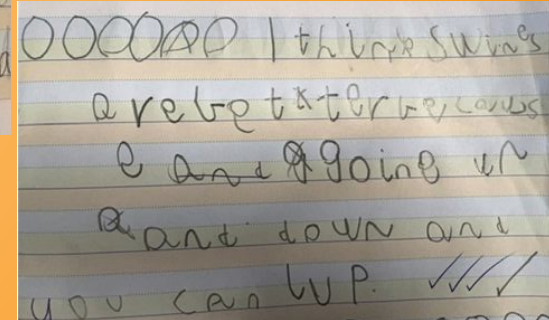

Luke - 1A

Tisha - 1A

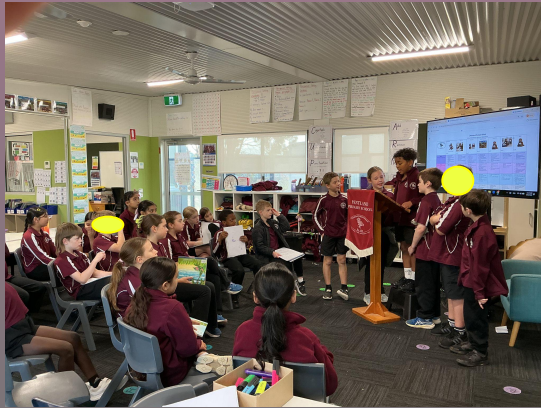

Dilsher - 1B

Robert - 1B

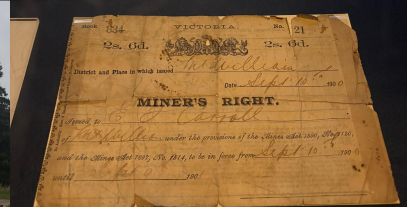

Grade 3

This week in Grade 3A, students participated in a mock election to select a new School Wide Positive Behaviours (SWPBS) expectation for our class to focus on. After analysing the SWPBS expectations, students shortlisted options, worked in groups to create persuasive speeches, and then voted for their preferred expectation. As part of our Civics and Citizenship unit, we also explored how this process is similar to local, state and federal elections in Australia.

Grade 5

Throughout Term 2, the Year 5 cohort have been focusing on the theme 'Civics and Citizenship'. We have been researching the 3 levels of government, the roles and responsibilities of government as well as democracy. To further explore our knowledge of Civics and Citizenship, we visited the Eureka Centre in Ballarat to learn more about the Eureka Stockade and the impact this had on our nation.

Visual Arts Junior

Students have been learning about clay sculpture. They have been exploring rolling, pinching and joining clay together, and using clay and clay tools safely. We will fire these ceramics in our school kiln.

Visual Arts Senior

Students have been learning about clay sculpture. Including using clay and clay tools safely. We will fire these ceramics in our school kiln.

MUSIC

Music classes have been very energetic with all year levels using various percussion instruments in the past few weeks. Drums, triangles and maracas have been very popular, especially when junior classes were performing rhythms to accompany the music from Mario Kart video games, and senior classes developed considerable patience and timing skills when playing percussive instruments as an ensemble to accompany well-known songs, including Toto's Africa.

The collaboration between students and their enthusiasm as they belt out a familiar tune is truly heartwarming and allows their creativity and compassion for each other to blossom.

National Simultaneous Story Time 2026

The students of Pentland Primary had an amazing time joining the ALIA National Simultaneous Storytime 2026 and listening to *Luna Roo the Kangaroo Baller*! Classrooms were filled with excitement as students cheered for Luna Roo and her team during the thrilling soccer adventure. Some classes loved taking part in fun activities that explored movement, emotion, and strength through drawing and imagination. The story was written to inspire students to be brave, work together, and believe in themselves just like Luna Roo. There were lots of smiles and laughter, with children across Australia as they read the story together at the same time. It was a wonderful celebration of reading, teamwork, and creativity that was experienced in each classroom at Pentland Primary.

Mental Health in Schools

The Power of Friendship

Have you ever noticed how much brighter the school day feels when you have a friend to laugh, play, and learn with? Friends are very important because they help us feel happy, safe, and included.

Making friends can help children grow in many ways. Friends teach us how to share, listen, cooperate, and solve problems together. When we work in teams during class activities or play games at recess, we learn how to be kind and respectful to others.

Good friends also help us during difficult times. If someone feels sad, nervous, or lonely, a caring friend can make a big difference with a smile, kind words, or an invitation to join a game. Friendship reminds us that nobody has to feel alone.

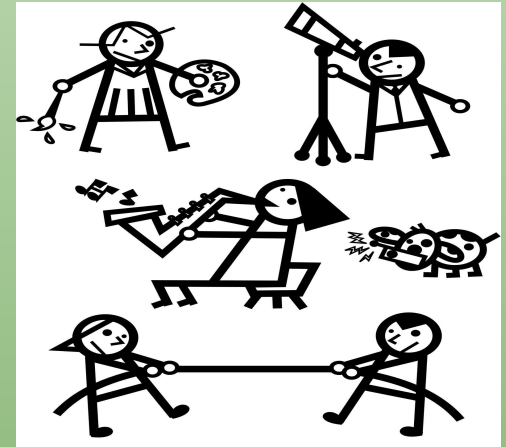

Making friends does not always mean finding someone exactly like you. Sometimes the best friendships happen between people with different hobbies, cultures, or interests. By getting to know different classmates, we learn new things and become more understanding and accepting.

Here are some simple ways to make new friends:

- Smile and say “Hello”
- Invite someone to play
- Be kind and helpful
- Listen when others are talking
- Include others in games and activities

Remember, friendship is like planting a seed. When we care for it, with kindness, honesty, and respect, it grows stronger every day.

So this week, try to make someone feel welcome. A small act of friendship can make a very big difference.

School Wide Positive Behaviour

Over the past few weeks, teachers and education support staff have been finishing the Positive Behaviour Matrix. It is now almost ready.

The matrix helps teachers teach students the behaviour expected at school. It also gives students chances to practise these behaviours and get feedback on how they are going.

Teachers can teach and model these expectations in different ways. For example, they might do one lesson a week or teach short lessons during the day, such as showing students how to play on the playground correctly. The matrix also helps teachers remember which behaviours they need to teach, remind, praise, and correct.

A table titled 'Redland Primary School' and 'School Wide Positive Behaviour Matrix'. The table has 8 columns, each with a cartoon character icon at the top. The rows are labeled 'Expect', 'Teach', 'Remind', and 'Correct' on the left. Each cell contains a list of behaviors and corresponding actions. The table is color-coded by row: purple for 'Expect', pink for 'Teach', blue for 'Remind', and orange for 'Correct'.

	Mr. Brown	Ms. Green	Mr. White	Ms. Black	Mr. Grey	Ms. Blue	Mr. Yellow

Moorabool Council Young Leaders Day.

On Thursday May 28, a selected group of students from the Grade 6 level attended the annual Moorabool Council Young Leaders Day.

These students had the opportunity to meet other Grade 6 students from neighbouring schools, share their voice on issues discussed in the community, and explore their leadership capabilities at a greater level. They also had the opportunity to build leadership and advocacy skills and connect with the Youth Services staff.

Mayor of Moorabool Shire Council is Councillor Steve Venditti-Taylor was a guest speaker on the day, and he gave an insight of his journey in leadership.

It was a great day.

John Saliba

1:20 - 2:10pm	Lunchtime
2:10 - 3:10pm	5th Session
3:10pm	Home Time

Why going to school is important

Going to school every day is an important part of your child's education. Children and young people learn new things at school every day, connect with friends, have fun and develop good habits that help them to succeed. Attending and participating in school will help your child:

- develop important skills and knowledge to help them learn
- develop social and emotional skills such as good communication, resilience and teamwork
- establish friendships with peers which help develop self-esteem and a sense of belonging.

There is no good number of days for missing school. **Being away from school for 1 day a fortnight adds up to missing 4 whole weeks of school a year.** Where possible, you should avoid your child missing school, for example, make appointments for your child outside of school hours and keep family holidays to outside term time.

When you are late: Ensure that you present to the office and sign in before getting a late pass to give to your teacher. The office ladies will help you with this.

Attendance

When you are late: Ensure that you present to the office and sign in before getting a late pass to give to your teacher. The office ladies will help you with this.

Outside School Hours Care

Newsletter

01/06/2026

Camp Australia Pentland Primary School OSHC

Camp Australia Pentland acknowledge the Wurundjeri people of the Kulin nation as the traditional owners of the land on which our service is built, we pay our respect to the elders, past, present and emerging, to the knowledge embedded within the community and the strength in their enduring connection to land and culture.

Hello Pentland Families,

It is hard to believe we are already in the second half of Term 2! As the cooler weather continues to settle in, we will continue making the most of both our indoor and outdoor spaces to ensure the children remain active, engaged, and connected with their peers. With this in mind, we would like to give families a gentle reminder to pack a jacket for children attending Before and After school care. This helps ensure they can comfortably participate in all activities while continuing to stay warm and supported during sessions.

We are really looking forward to what is in store in the next few weeks!

- **Thursday 11th June – World Play Day!**

To celebrate world play day, our theme for the week will be imaginative Play. Throughout the week, the children will have the opportunity to participate in a variety of active and imaginative games, encouraging creativity, problem-solving, and teamwork. They will also enjoy a range of hands-on craft activities, providing plenty of opportunities to express their ideas and bring their imaginations to life through play!

- **Wednesday 17th June – Eat Your Vegetables Day.**

As part of Healthy Lifestyles Week, the children will be exploring the importance of making healthy choices and staying active. Throughout the week, they will participate in a range of fun physical activities, games and *Yarning Circles* designed to promote well-being, teamwork and healthy habits that can be carried into everyday life.

Thank you for your continued support throughout the term. We look forward to another fortnight of fun and learning as the children continue to explore, create, and connect with one another.

Warm regards,
Service Leader & OSHC Team.

Register free and book in 24/7 via our app

To attend our program, you must register your child. You can register an account with us at pp.campastralia.com.au or by downloading our Camp Australia smartphone app from the Apple App Store or on Google Play. Once registered, it's easy to make bookings and manage your account.
