Monday 14th September, 2026

From the Principal's Desk

Dear Parents and Carers,

Last week staff and students wore purple in memory of Claire Casbolt and to raise money to support research into childhood cancer. The Pentland Primary School Community did an amazing job. We raised \$2041. Congratulations to all involved.

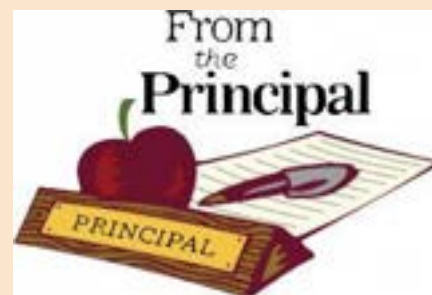

As we rapidly approach the end of term 3, we wish to thank families for their continued support. We encourage families to find a moment to celebrate with their children the successes of this term. We wish all members of the Pentland community a safe and relaxing school holiday period. We return from the school holiday period on Monday 5th of October to commence term 4.

This term we have experienced unsustainable levels of staff absence. We appreciate how disruptive this level of staff absence is to student learning and maintaining a steady momentum and daily school routine. Thank you for your patience and continued support. We are considering a range of options for term 4 to lessen the impact of staff absence.

We have a number of camps scheduled for term 4. Please keep an eye out for updates on these events.

Our school's journey with the implementation of the School Wide Positive Behaviour program is progressing beautifully. Families are now probably hearing all about the SWPBS from their children. Dylan Reithofer and the SWPBS team are doing an amazing job engaging the Pentland community in this space. Last week we presented the more of our Penny Platypus lapel pins. Congratulations to our students who have received the Penny Platypus pins.

From the Principal's Desk

We have commenced discussions with the Department of Education regarding provision of a new school gym. Under the current Department of Education facilities schedule we are entitled to a much larger school gym. While we appreciate that provision of a new gym will not be instant, we have commenced the journey.

Planning for 2027 is well underway. We anticipate a student enrolment of approximately 600 students in 2027. We are calling for student enrolments now. If you are aware of families who intend to enrol their children at Pentland Primary School please encourage them to contact Shannon in our main admin office. Thanks.

Our Foundation Reception program continues to gain momentum. If you have enrolled a child in Foundation for the 2027 school year, they are most welcome to participate in our Foundation Reception program. Please contact Shannon in our main office for further details.

Our whole school assemblies will remain of a Friday commencing at 2.40pm on the basketball court. Parents and Carers are welcome to come along and watch the assembly.

I would like to remind families that the procedures remain in place in relation to late arrival to school, early dismissal of students. The Compass Kiosk is located in the office. All visitors must sign in at the office via the Compass Kiosk. Students arriving late must sign in at the office and collect a late pass. Parents collecting their children early must sign their children out via the Compass Kiosk in the office. Students leaving early will be collected from the school office not the classroom.

Please find a moment to check the list of important dates for 2026. We have a wide range of events planned already for the year.

Thanks for your continued support.

Andrew, Brianna, Daniel & Lyndon and the Team @ Pentland.

Provide feedback at anytime on our school policies - available on our school website

At **Pentland Primary School**, we are committed to providing an environment where all students are safe, supported, and feel safe. Our **Child Safety and Wellbeing Framework** outlines how we maintain the safety and wellbeing of every student and protect them from harm. This framework includes our:

Child Safety and Wellbeing Policy, Child Safety Reporting and Responding Obligations Procedures, Child Safety Code of Conduct, which outlines expected behaviours for all staff and volunteers

You can view these documents on our school website: [Our School | Pentland Primary School | Darley](#)

We are also committed to **continuous improvement**. Our child safety policies and practices are regularly reviewed to ensure they remain current, effective, and aligned with best practice.

Your Feedback Matters

Students and families are important partners in maintaining a child-safe environment. We welcome your feedback and ideas on how we can continue to strengthen our approach to child safety and wellbeing.

If you have any **concerns, suggestions, or comments**, please contact: **Andrew Harrison, Principal** on 5367 6080 or pentland.ps@education.vic.gov.au
All child safety concerns or complaints are taken seriously. For further information about how we manage complaints, please refer to our **Complaints Policy**, available on our website [Our School | Pentland Primary School | Darley](#)

Regular reminders such as this help keep our community informed about: Our commitment to child safety, and How to provide feedback or raise concerns.

Together, we can ensure Pentland Primary School continues to be a safe, caring, and inclusive environment for every child.

2027 Foundation Enrolments

Statewide timeline for Foundation (Prep) enrolments.

Steps to enroll your child in Foundation (Prep) for the 2027 school year

To start primary school in 2026, your child will need to **turn 5 years old by 30 April 2027**. Schooling is compulsory for children who have turned 6 years old. If your child is starting Foundation (Prep) in 2027, you will be able to apply to enrol your child in a Victorian government primary school from the start of Term 2, 2026 (Monday 20th of April 2026).

What you need to do:

1. Use [Find my School](#) to locate your designated neighbourhood school (referred to as your local school) and other nearby government schools.
2. Contact a government primary school to book a school tour or to learn more about the school and the enrolment application process.
3. Download the Foundation (Prep) Enrolment Information Pack for Parents and Carers (released in Week 1, Term 2). This pack includes the application form.
4. The school may also provide you with a copy of the application form to complete or advise if they are using online enrolment.
5. Submit your enrolment application to the school by Friday 31 July 2026.
6. You will be notified of the outcome of your application between Monday 3 August and Friday 14 August 2026. The letter from the school will include the next steps. If you receive an enrolment offer, you should respond to the offer by Friday 28 August 2026.

Enrolment applications submitted after 31 July 2026 will be processed by the school as they are received.

Your child has a right to enrol at their local school. Your child's local school is determined by their permanent residential address. The [Enrolling in school](#) page can help you to confirm your child's address for enrolment.

If you are applying to a school that is not your child's local school, you should read about [school zones](#) and how they work. You should also read about how applications are prioritised using the Department of Education's Placement Policy found on the [Enrolling in school](#) page.

Classroom News

Here you can get an insight into some of the exciting things happening within our school.

Foundation

The Foundation students went on their first excursion to the Ballarat Wildlife Park as part of our Biological Science unit. We had a wonderful day travelling on the buses, exploring the park, seeing the amazing animals, listening to keeper talks and feeding the kangaroos!

GRADE 1

In Mathematics, Grade One students are currently learning about equal groups and understanding that equal groups have the same number of objects in each group. They are practising how to share objects equally between groups and explain whether groups are equal or not equal. Students are also learning to make groups of a given size, count the number of groups, and find the total number of objects altogether. They are developing their understanding through hands-on activities such as using counters, blocks and teddy bear picnic scenarios to solve simple grouping and sharing problems.

ONCE UPON A BOOK WEEK...

This Book Week, our classroom libraries have been transformed into magical worlds inspired by the stories we love! 🌈🌟

In Mrs Zer's class, students have stepped into the enchanting world of The Faraway Tree. 🌳 Their beautiful tree grows alongside them, with each magical leaf representing one of the children's favourite books. As the tree grows, so too does their love of reading!

Meanwhile, Miss Cullinan, Mrs Sarancic and Mrs Romeo's library has become a whimsical fairy-tale kingdom! 🏰🌟 Inspired by beloved children's fairy tales, the library has been transformed into a magical world filled with storybook characters, enchanted adventures and plenty of imagination.

Grade 3

For Book Week, the Grade 3 students from Miss Peixoto's class and Mr Egan's class have worked incredibly hard to transform and decorate our classroom library. Our theme was **"Reading Is an Adventure!"**

The students have shown wonderful creativity and enthusiasm throughout the project. They wrote their own book reviews on cloud shapes they created, painted cardboard pieces to build our *Up*-inspired house, decorated location signs and created lots of colourful balloons to bring our adventure theme to life.

We are incredibly proud of the enthusiasm, creativity and passion the students have shown throughout the competition. Their hard work and teamwork have truly made our classroom library a special place to celebrate the joy of reading!

Grade 5

In Theme this term, students have been learning about 'biological science'. In particular, about habitats, conservation and how animals and plants adapt in their environment physically and behaviourally. Grade 5 students final assessment task for theme was to create an infographic poster about a chosen organism- the glossy black cockatoo. Students had to research the cockatoo's original habitat, changes in the habitat and the impacts, conservation and the impact of the conservations. All students did an amazing job creating their posters by adding detail and pictures.

Grade 5

This year's book week the Grade 5 students voted on the theme of our classroom libraries. In 5A/5D students chose 'Jurassic Park' and in 5B/5C students chose 'Cat in the Hat'. All students worked hard to decorate their libraries and us teachers are incredibly proud of their efforts as they demonstrated teamwork and pride. These classroom libraries will remain in the classrooms for the rest of the year.

Art:

We had our annual art show on the 9th.
Thanks to everyone who attended!

Art

Media Arts

What an amazingly creative and talented community we have at Pentland, as exhibited by the student work presented at our annual Art Show this week. As Media Arts is run biennially, we were able to share the photography and editing that the P-2 students have been exploring, and the wonderful stop motion animations that the 3-6 students have been developing this year.

Photography required students to think about the subject of their photo, and to consider zooming, the angle of their photography and what they wished to capture and represent. Their editing was an exploration of how they could manipulate an image to create imaginative and fascinating artwork. Some photos were barely recognisable as the original subject, such was the artistic approach.

For stop motion, students needed to learn the functionality of the app, create a storyline using a prompt and hone their filming skills, fine tuning the movements of inanimate objects and keeping their hands out of photos to give the illusion of movement, while using iPad stands and maintaining steadiness of their images.

It has been wonderful to see the inspiration and thought processes behind the students' creative journeys, and I are in awe of the results and achievement that many of them have garnered. I think they should be extremely proud of their efforts and achievements and engagement in this work.

Mental Health in Schools

Celebrating a Wonderful Term 3.

Healthy Minds Bright Futures

What an awesome Term 3 we have had at our school! It has been a term full of learning, laughter, connection and plenty of wonderful moments shared together as a school community.

One of the highlights this term has been the success of having our local police officers visit our Breakfast Club. It was fantastic to see our students enjoying breakfast, chatting with the officers and building positive relationships with some of the wonderful people who help keep our community safe. Their visits created a relaxed and welcoming environment where students could ask questions, share stories and simply enjoy starting their day together. We are incredibly grateful to our local police for taking the time to join us and support our students.

Our Breakfast Club continues to be a wonderful way for students to connect with one another, enjoy a nutritious start to the day and strengthen our sense of belonging. We look forward to continuing these positive community connections throughout the year.

As we come to the end of Term 3, we would like to congratulate all our students on their efforts and achievements. We are so proud of the enthusiasm, kindness and resilience they have demonstrated throughout the term.

Now it is time to slow down, recharge and enjoy a well-deserved break. We hope all our students, families and staff have a fantastic holiday filled with plenty of rest, relaxation, fun and quality time together.

Thank you for another wonderful term. We look forward to welcoming everyone back refreshed and ready for another great term of learning and adventure.

Have a safe, happy and relaxing holiday.
Be safe and take care.

Kind Regards,
John Saliba,
MHIPS Leader.

Enjoy your Holiday!

Lollipops for a Brighter Tomorrow

Last week our school came together in a very special way for our Lollipops for DMG fundraiser, held in memory of our beautiful

Claire Casbolt. ♥

Students and staff gathered for a whole school assembly to recognise the important cause and show their support. Our school was a sea of purple, with students wearing purple, enjoying sweet treats and coming together to make a difference.

We were so proud to see our students demonstrating compassion, generosity and community spirit. The funds raised will be donated to the fight against Diffuse Midline Glioma (DMG), including Diffuse Intrinsic Pontine Glioma (DIPG), helping to support vital research and awareness.

A huge thank you to our amazing school community – families, students and staff – for your incredible support. Your kindness and generosity will help bring hope for a brighter tomorrow.

In memory of our beautiful

Claire Casbolt ♥ ♥

♥ Together we can
make a difference ♥

Book Week 2026

Week Seven was book week. As a school, all classes celebrated the week with fun activities and excitement. Each class participated in the classroom library competition where we decorated each library with a theme and created a welcoming reading space for all students.

Students were able to participate in an exciting 'Guess Who' competition, where students had to guess which staff member liked each book displayed.

At the end of the week, we celebrated with a book week dress up parade. All students and staff alike got into the spirit of the parade and really enjoyed themselves.

It was a wonderful week with much hard work! We want to thank all our teachers and staff for giving up spare time to help make the week as fun as it was and the students who contributed to this year's book week. We thank Emma Muir, the liberal candidate for Eureka who judged the library display competition with the help of Mr. Smith. We also would like to acknowledge 6B who set up the 'Guess Who' display, it was such an amazing experience for this year's book week.

Attendance

1:20 - 2:10pm	Lunchtime
2:10 - 3:10pm	5th Session
3:10pm	Home Time

Why going to school is important

Going to school every day is an important part of your child's education. Children and young people learn new things at school every day, connect with friends, have fun and develop good habits that help them to succeed. Attending and participating in school will help your child:

- develop important skills and knowledge to help them learn
- develop social and emotional skills such as good communication, resilience and teamwork
- establish friendships with peers which help develop self-esteem and a sense of belonging.

There is no good number of days for missing school. **Being away from school for 1 day a fortnight adds up to missing 4 whole weeks of school a year.** Where possible, you should avoid your child missing school, for example, make appointments for your child outside of school hours and keep family holidays to outside term time.

When you are late: Ensure that you present to the office and sign in before getting a late pass to give to your teacher. The office ladies will help you with this.

Attendance

PARENT TIPS

-  Aim for **95%** attendance or better.
-  Schedule appointments **after school** whenever possible.
-  Plan vacations during school breaks.

ATTENDANCE MATTERS!

Attendance Matters

Every student. Every day.

EVERY DAY COUNTS!

Good attendance today = a brighter tomorrow!

0 school days off each year	100%	PERFECTION!
4 school days off each year	98%	Very Impressive
7 school days off each year	96%	Good
9 school days off each year	95%	Almost There
11 school days off each year	94%	Needs to Improve
1 month off each year	90%	Concerns
2 months off each year	80%	Serious Concerns

Attend Today, Achieve Tomorrow!

When you are late: Ensure that you present to the office and sign in before getting a late pass to give to your teacher. The office ladies will help you with this.

E-scooter Road Rules

Tougher penalties as e-scooters are made permanent.

e-scooter riders cannot

- Ride on the footpath.
- Use a mobile phone while riding.
- Ride while under the influence of drugs or alcohol.
- Carry passengers or animals or ride in tandem.
- Ride a high-speed e-scooter, one capable of more than 25 km/h.
- Ride on roads that have a speed limit over 60 km/h.

e-scooter riders must

- Be aged 16 years and over.
- Not exceed the maximum speed of 20 km/h.
- Ride only on shared paths and roads that have a speed limit up to 60 km/h.
- Wear a helmet at all times.
- Follow traffic rules.
- Use lights and reflectors.

E-Scooter Road Rules and E-Bikes in Victoria

Are you Safe and Compliant?

E-BIKES: KNOW THE RULES!

RIDE SAFE. RIDE SMART. RIDE LEGAL.

LEGAL E-BIKES

YOU CAN RIDE ON PUBLIC ROADS AND BIKE PATHS

1. COMMON E-BIKE (EPAC)

The most common type of e-bike.

- 250 W MAX** Up to 250 watts continuous rated power.
- 25 km/h MAX WITH MOTOR ASSIST** Motor assistance cuts out at 25 km/h. You can go faster by pedalling only.
- PEDALS MUST WORK** It must have functional pedals.
- THROTTLE: UP TO 6 km/h ONLY** Throttle or walk assist without pedalling is only allowed up to 6 km/h.

2. POWER-ASSISTED PEDAL CYCLE (PAPC)

Low powered e-bikes not commonly available in Australia.

- 200 W MAX** Up to 200 watts maximum power output (peak).
- PEDALS MUST WORK** Electric assist is only while pedalling.

ALLOWED ON PUBLIC ROADS AND BIKE PATHS

NOT ROAD LEGAL

YOU CANNOT RIDE THESE ON PUBLIC ROADS OR BIKE PATHS

NO FUNCTIONAL PEDALS

Must have working pedals.

MODIFIED OR TAMPERED

Toggle switches or other tampering that overrides legal power and voltage limits.

MOTOR ASSIST ABOVE 25 km/h

If motor assistance continues above 25 km/h, it is not road legal.

POWER OVER 250 WATTS

Combined maximum continuous-rated power greater than 250 watts.

INTERNAL COMBUSTION ENGINE

Fitted with an internal combustion engine (e.g. petrol powered).

ELECTRIC DIRT BIKES (HIGH POWER)

High power, high speed and no working pedals.

NOT ROAD LEGAL? PRIVATE PROPERTY ONLY.

RIDE RESPONSIBLY. BE SAFE. RESPECT OTHERS.

Victoria — check current [Transport Victoria](https://transport.vic.gov.au) rules before you ride.

Parent/Carer Opinion Survey - Reminder

WE WANT OUR PARENTS / CARERS TO TELL US WHAT THEY THINK!

Our school is conducting the annual Parent / Carer Opinion Survey offered by the Department of Education and is seeking your feedback. The survey is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behavior, and student engagement. The survey is optional, but we encourage and appreciate your participation. Our school will use the survey results to assist in identifying areas for improvement and professional development needs in the school, to target school planning and improvement strategies.

The Parent / Carer Opinion Survey will be open online from **Monday 17 August to Friday 18 September 2026**.

A random sample of parents / carers have been selected to participate in this year's survey. Survey links have already been distributed to our random selection of families.

The survey will be conducted **online**, only takes **20 minutes** to complete, and can be accessed at any convenient time on desktop computers, laptops, tablets or smartphones.

The online survey will be available in English and 10 other languages including Arabic, Greek, Hakha Chin, Hindi, Japanese, Punjabi, Simplified Chinese, Somali, Turkish, and Vietnamese. Resources are also available in additional languages to assist parents / carers who speak a language other than English at home. Please reach out to your child's teacher, or the school directly for survey guides in your language.

Lost Property

Lost property is located in the First Aid Office.

It's vital that if you want us to return items of clothing, drink bottles or lunch boxes to your child, please make sure that they are clearly named.

If you have lost or misplaced an item this term without your child's name on it please call in and check lost property before end on term 2.

First Aid

Does your child have a medical illness? Do we know about it, and have a current action plan?
If your unsure please contact or pop into the First Aid office and speak with Nadine about your child.

If your child has Asthma it is mandatory that you supply an up to date Action Plan, Ventolin and a Spacer to keep in your childs class locker for immediate use and excursions.

Asthma Action Plan Template:

https://asthma.org.au/wp-content/uploads/2022/12/AA2025_Asthma-Action-Plan-First-Aid-Colour-A4_v20.pdf
