

IMPORTANT NOTICE

Dear Parents/Guardians,

Due to the extreme weather warning for tomorrow, we have had to change one of the activities in tomorrow's tabloid sports rotation. We will no longer be having the giant ZORB ball and instead we will be having splashtastic water sport games using water guns. Students may get wet and a change of clothes should be bought to school in case they are unable to get dry. These activities will include waterfall run, Steal the Water and Water Tag Team.

If you wish for your child to not participate please just let your child's classroom teacher know tomorrow.

Thanks

Hailey Vassallo
