

OUTSIDE OF HOURS SCHOOL CARE (OHSC)

Dear Parents/Guardians,

As previously advised Camps Australia will be providing OHSC at Pentland Primary School in 2019.

Part of the requirement is a registration process with the Department of Education – Camps Australia is currently working through this process and will advise a start date ASAP.

In the meantime, please register for the service via the following link. Register even if you think you might only need to use the service for emergencies. There is no fee to register and if an emergency arises being registered means you can book a casual spot depending on availability.

We look forward to working with Camps Australia to bring this service to our community.

Kind Regards,
